Proposal No. 3 CUMULATIVE VOTING

RESOLVED, that our board initiate in 2009 the appropriate process to amend our company's certificate of incorporation to ensure that cumulative voting is permitted to elect director nominees to the board.

This binding proposal does not infringe on the right of our board and management to determine in its discretion the best method to implement cumulative voting if shareholders support it with a majority vote.

Cumulative voting means that each shareholder may cast as many votes as equal to number of shares held, multiplied by the number of directors to be elected. A shareholder may cast all such cumulated votes for a single candidate or split votes between multiple candidates, as that shareholder sees fit. Under cumulative voting shareholders can withhold votes from certain nominees in order to cast multiple votes for others.

Proposalist Terry Dayton, a Horizon Air communications agent, has notified the Alaska Air Group, Inc. ("AAG") that he intends to present the following proposal at the 2009 Annual Meeting.

SUPPORTING STATEMENT

At our company in 2008, cumulative voting won 52% of the vote, and in 2005 it won 56% of the vote. Cumulative voting also received 55%-support at General Motors in 2006 and 54% at Aetna. The Council of Institutional Investors www.cii.org has recommended adoption of this proposal topic. CalPERS has also recommend a yes-vote for proposals on this topic.

Cumulative voting allows a significant group of shareholders to elect a director of its choice – safeguarding minority shareholder interests and bringing independent perspectives to Board decisions. Most importantly cumulative voting encourages management to optimize shareholder value by making it easier for minority stockholder groups (such as workers) to gain board representation. It represents a powerful incentive for improved management of our company.

This proposal is particularly important because our company has underperformed its peers over one-year, three-year and five-year periods. Additionally we still have plurality voting, no shareholder right to call a special meeting or act by written consent, and our board lacks representation by the strategic stakeholders of workers and customers.

Vote Yes on Proposal No. 3 for Cumulative Voting
